WAKING UP TO GAIA

As an international Asian student at one of America's fine universities, it didn't take me long to admire the lovely ceds here. Since I'm only a sophomore, the ladies, I quickly found out, are into the upperclassmen and I realized I didn't have much of a chance. But still, I needed to get off. All this pent up frustration wasn't doing me any good. So I found a store selling adult magazines and found Club Asian, and I was ecstatic. With classes the rest of the day, I put it in my backpack and couldn't wait for morning to look it over. Next morning, I pull it out and immediately was struck by the variety and beauty of the Asian ladies. I can't say I remember anyone back home so pretty. Well, long story short, my first whack off was to Gaia's photos, especially where she deep throats that cock. The other girls were great too. I'm saving one for every day of the week, but today I woke up with Gaia.

— Jason at a California U.

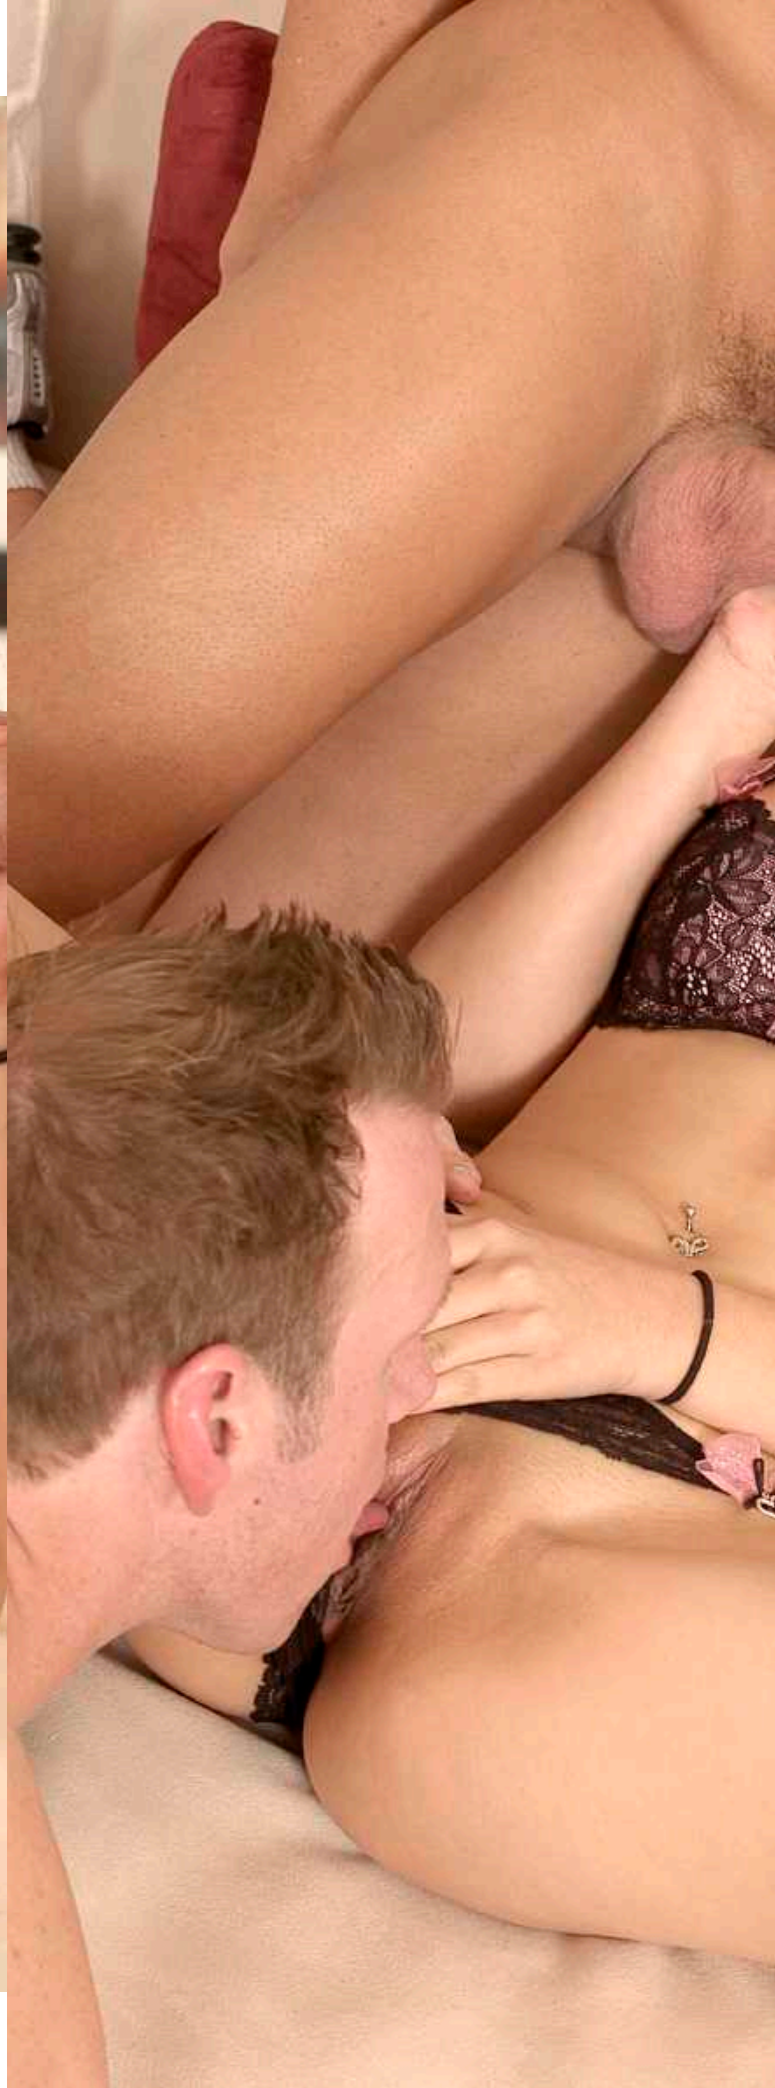

DRAWN TO HAYLEE LE

I'm a big fan of your magazines, and of Asian women. I think they have the best demure personalities and will do anything to please their man. At least that's what I can tell you about my wife. She was born in Okinawa and moved to the states to go to college about five years ago. That's where we met in our junior years, got married after graduating, and settled in Oxnard. It has been bliss all along. She has told me that she wants to try a threesome with another girl. An Asian girl. Man, who am I to complain! She said that American girls seem too aggressive for her. I told her I would look for an adult men's magazine that had Asian women in it, and she could point out what she liked rather than just trying to explain it. So I found your mag, picked up a copy, and showed it to her. Immediately she was drawn to Haylee Le. She said she liked her body a lot and was surprised how much she liked her auburn-ish hair. Now, we go to clubs looking for a girl for Mikko – and me. Hope upon hope!

— Boyd in Westminster, CA

Evelyn Lin has been looking forward to this threesome for a long time. Two throbbing cocks waiting eagerly to pleasure her pretty holes. If only she had a bigger mouth to suck off both dudes, but she'll have to settle with letting them have their way with her beautiful behind.

ISN'T THERE ANYTHING I CAN DO?

I've never been a particularly good student. Most of my life, I've been able to rely on friends to help me through classes, or my parents to come in if things got too real. They weren't going to be able to do that through college, however, and my freshmen year, I didn't have enough good friends who would "help" me along the way I was used to. So, when it looked like I was going to fail my literature class, I was going to have to find a different way.

I went to see the professor, a beautiful brunette woman with her hair always tied back, and bright hazel eyes that always seemed to know more than they were letting on. I asked her what I could do, and she looked at me over a pair of half-moon glasses and suggested that I prepare to take the class again and maybe consider doing the work this time.

Since that didn't seem likely, I leaned across the desk and asked if there was anything I could do, letting my hand slowly inch across the space and just barely reach out to touch

the tip of her fingers. Even though she recoiled quickly, she kept looking at me over those glasses. I'm not that bad looking, blonde, blue-eyed, with breasts that just emerged over the top of the desk. I batted my eyelashes at her pleadingly.

Suddenly, she stood up and marched toward the office door. I was sure she was going to throw me out, so when she instead snapped it closed and locked it, I was left sitting there in surprise. She pulled off her glasses and stared at me with an almost hungry expression. She asked what kind of grade I was asking for and I told her nothing less than a B. She smirked and sat back down, crossing her arms in

front of her, telling me to "earn it."

I smiled back at her and moved around the desk. On the one hand, I was still in absolute shock that this had worked, but on the other, I could feel the confidence of an experienced young woman and let my cockiness emerge. I leaned down to kiss her gently on the lips as my hands moved to unbutton her blouse. She didn't resist, acting almost more amused than anything as she let me show her what I was willing to do for my grade. I leaned forward and let my crotch dance over her

Honey So Sweet...

Honey didn't want to be unfaithful to her husband with his best friend. She wanted more than he could give her and he acknowledged that. Watching Honey get fucked with her man right next to her was a huge turn on. I'd watch her fuck another man, too, if I could get next to her. I'd gladly be her cuckold.

— Burton, Milwaukee

deceptively large breasts.

I watched her reaction closely but felt my own pleasure senses rising. I pulled off my shirt and pants quickly, leaving me naked before the professor, who finally raised a hand and started tracing over my body, her eyes admiring and enjoying what she had before her, and she guided me back to the desk, laying me on my back before she got to her knees and let her tongue dive into my wet pussy.

When she allowed her fingers to come up and break into my ass as well,

it was all I could do to stifle my scream.

She was much more experienced than she looked, somehow finding spots that I hadn't known existed yet. Her tongue did a dance over my clit while her fingers twisted and turned, finding

better than some of the natural dicks I'd had.

I threw my hands back, completely at her mercy, which sent me to climax at least two or three times, though they started to blend. By the time she pulled out and leaned down to kiss me,

new ways to surge energy through my body. I might have thought she got some sort of sadistic pleasure out of watching me literally squirm, but she seemed to be enjoying the moment herself. And it seemed like an eternity before she pulled away briefly, only to suddenly be piercing into my pussy with something much bigger. I looked up to see that she had put on a huge, thick strap on and was starting to intensely pound me.

I felt my entire body go limp and numb, feeling only each thrust of someone who truly knew what a woman wanted. She was able to find the right spots, even through the toy that she maneuvered

I was completely spent and dazed, though she seemed to be still in complete control. She let me take my time dressing, but by the time the clothes were back on, so was the wall between us. I left without really knowing what impact I had made on my grade.

I just got the final grades. I managed to earn an A.

— Lena M., Long Beach

A LOVE LOST

I sat on my bed on the phone with Amy talking about how amazing our recent fuck was, but I really wanted to cum in her ass. I begged her can I do it next

time we meet up, and she happily agreed, but I wanted her to tell me how bad she wanted me to cum in her ass. I made her tell me in person. I begged her till she whispered in a soft mellow time “I want you to cum in my butt.”

I made sure she promised me and made a time and place to do this. We decided to do it next week because she won't be at school that day because she's moving back to her home town in a few weeks. Sadly, but I think she will be back.

The day arrived. I snuck out of class as usual. I made my way up to our special park through and towards the toilet block where it all began. I made sure Amy would dress slutty before seeing me like, I always requested. Amy looked a little shy when I came up to her. She was sitting on the bench not making eye contact and breathing very heavy. I can't really blame her. We both know what we were going to do, and it was a first time for the both of us.

I sat down next to Amy. For a few minutes we just talked about random things, getting her more comfortable. I was hard already just looking at the slutty version of herself. I needed to get her in the mood. It always takes a while for her to actually get comfortable. I poked around between her legs slowly parting them, running my hand up and down her thick thighs, stroking her clit through her shorts. She relaxed moving my face towards hers before she

grabbed my face and ran her tongue in my mouth. I placed my hands firmly on her tits, squeezing her causing her to gasp and bite my lip; and to my mind I think I heard her growl a little.

We both knew we were ready to do this. We did our usual entering the bathroom one at a time routine, and once we were together we took no time getting completely naked. We were already body to body, touching each other. Making out my fingers were already submerged into her pussy. I asked her if she was ready she wanted me to fuck her first, but I know once I've cummed it will take a while for me to cum again.

So I made a deal with her. We will toss a coin and whoever calls it right gets what they want. Obviously, I called it right but considering I forgot to bring lube and only had one condom, this was gonna be difficult. So as I put the condom on, I began fingering her ass, and began guiding my condom covered cock into her pussy. I fucked her hard and fast watching her tits bounce up and down every time I ram in and out of her.

I kept this up for a few minutes until I was close to cumming, and without warning pulled out of her. My condom covered cock now lubed with her juices, I began feeding it into her ass causing Amy's body to go on high alert gripping my arms as my cock slowly slid into her tight hot asshole. Once I was fully inside her ass, I fucked her slowly, picking up

the pace a little as I fucked longer. Amy brought me into her face aggressively, making out with me while I fuck her ass. The harder I fucked, the stronger she gripped me till I felt that familiar rise in my balls. I was on the verge of cumming. I quickly pulled out of her, pulled off the condom,

“im sorry. i love doing what we do but i can’t help falling in love with you now. We just did something that only people who are deeply in love and trust each other do and u just acted like its just another hookup. i feel like im being used. i know its not your intention but its what it feels like and its

I got a kiss and makeout here and there out of it. But that’s all it reduced to till the end of the year where she stayed at her brothers for a couple of days. She asked if I could meet up with her at our park, but not at the toilet block as she didn’t want to do anything sexual.

I managed to meet Amy at the park. She didn’t look much different than the last time I saw her, apart from a few curls at the end of her hairline. We just spent most of the day talking and getting closer to each other. We knew there was a fire starting between us as our faces were drawn closer to each other. Amy was too chicken to make a move, so I went for it and planted a kiss on her lips.

Amy withdrew a bit – then drew back into my arms and my lips, getting more intimate by the minute. Feeling emboldened, I asked her if she wanted to go back to our special place for old times sake. She knodded and began to walk up, but just as we got there there were people surrounding the area. We would’ve definitely got caught if we went in there, so we waited and waited till it was to late for us to do anthing. Amy’s brother called her telling her he is on his way to pick her up. I new I had to be clear out of his sight considering he hates me for apparently using Amy.

I didn’t want to leave Amy. I wanted one more chance with her, and she wanted one more with me. I asked her if I could just slide

my finger inside her before I go. She unbuckled her pants and grabbed my hand and rammed it between her legs. I rocked my finger back and forth a little bit making her gasp and hear the splashes of her juices before withdrawing my finger, and running away before my brother saw me.

On my way home, I inhaled the scent of Amy’s wet, musky pussy, and tasted my fingers thinking back to that last moment and the memories we shared.

Later on I found out Amy met a guy and moved in with him for a few years. I kept tabs on her now and then, even when they broke up. And when she moved back home, I continued calling her. Even after a few years without seeing her, I managed to actually see a future with her. I think I loved her after all and I even planned to run away with her. She seemed all for it until a week later I found out she managed to find another boyfriend, The last thing she said to me was cold. Not even a phone call, just a text...

“yur dead to me”

I guess some women don’t like being single, but now its been almost ten years since we last fucked. I sometimes think back to our times in that special place, and my cock in that tight butt. But then I think about all the girls I’ve been with since her, and smile. I’ve had a colorful sex life, after all.

– James S., San Francisco

rammed my whole cock inside her with one big lunge causing her to moan out loud. I thrust that cock as fast as I could till I felt myself filling her hot, tight ass with cum. For a minute there I thought I came in the wrong hole but it was definitely in her asshole.

Not much went on after that. We walked out like nothing ever happened. Amy seemed a lot quieter than usual. After this, she normally is quiet because that’s just her nature, as with most Asians I have known, but never this quiet. She was quiet till we went back to our homes. Later, I got a long text from Amy...

a part of the reason why im leaving so i can get you out of my mind. im sorry and goodbye”

I must admit I knew this was coming, and I do feel bad for making her feel that way but I always looked at sex as something fun to do. No love or romance about it. I just wish most girls could see my point of view. That was the last I saw of Amy for a long time, for almost a year.

Much later Amy and I began talking again. We never got to see each other, except for the times her friends would drive to my town and she would tag along, and

Toshiko would be leaving her beloved Japan flying to the decadent West on yet another mission.

There was nothing quite like a refreshing shower after a rigorous sparring session. Toshiko Kakutani, the sole kunoichi currently training at the secluded mountain compound, had come to cherish these daily cleansings at her preferred cataract. Water cascaded from the river above, an uninterrupted flow which washed the sweat, grit, and grime from her lithe body.

Hers was a deceptively petite frame, seemingly weak and fragile, granting her a considerable edge in combat; many an opponent had taken her far too lightly, an oversight which, more often than not, proved fatal.

This afternoon's shower was a bittersweet affair. Toshiko would be leaving her beloved Japan first thing in the morning, flying to the decadent West on yet another mission. Such was the life of a ninja for hire. Not that she was complaining. The money was good. There was never a shortage of employers seeking her special skill set. Toshiko had an ever growing nest egg stashed away in a Swiss bank, more than enough to ensure a comfortable life after she retired.

But that was years away. Presently she was in her prime, a fact that hadn't gone unnoticed by today's sparring partners. The two ninja—Mitsuki Matsuda and Yoshito Yamaguchi—had been impressed by her hand-to-hand skills. She had been quite a handful, testing the limits of their strength and endurance.

Now they joined her at the waterfall. Toshiko acknowledged the pair with a knowing smile. She had hoped that they would come. The kunoichi wasn't accustomed to rejection, and she had made her desires abundantly clear back at the compound . . .

Toshiko pushed wet hair from her face, regarding her virile visitors with her exotic, almond shaped eyes. Mitsuki and Yoshito gazed at her hungrily, moving through the wall of water to reach her on the other side. It was a small space wedged between the cliff wall and the cataract, a shady alcove ideally suited for their purposes.

Burning with lust, Toshiko lay on a large flat rock. Mitsuki knelt, pushed her legs apart, and tasted her hairless cunt. Yoshito stood beside the rock, thrusting his cock in her face. Toshiko engulfed his manhood. Her lips cinched around his shaft, she whipped her head to and fro, polishing his pole with deft skill. Meanwhile, Matsuki serviced her with his expert tongue, lapping and sucking and nibbling.

Toshiko lost herself in a paroxysm of pleasure; sucking dick while having her pussy eaten had ignited every fiber of her being. She gobbled Yoshito with increased urgency. It wasn't long before she incorporated his balls, dipping low to lick his nuts while pumping his rod with her hand.

Matsuki brought her to the brink of orgasm, then stopped, rising to his full height between her legs. He plunged into her hot core. Toshiko gasped, her exhalation tickling Yoshito's balls. She moved her hand faster and faster. His tool swelled in her palm, becoming a rigid baton as she jerked him vigorously.

Things continued in this fashion until Matsuki pulled out. Toshiko flipped over, assuming the doggy position atop the rock. She waited with excitement as the two ninja swapped places. Matsuki stood before her, wagging his cock in her face. She opened her mouth and received him. A split second later she felt Yoshito's engorged glans press

against her delicate donut hole.

The torrid threesome concluded with Matsuki, holding Toshiko's head with both hands, fucked her face; this while Yoshito reamed her backdoor in earnest. Matsuki came first, coating the back of her throat with much cum. Yoshito dumped his load on her ass, grunting and grimacing as he did so.

Toshiko lay on the rock in a blissful state. The sound of the crashing cataract was a pleasant counterpart to her measured breathing. Her mind was clear. Thanks to Matsuki and Yoshito she could focus on the forthcoming mission.

It was a tight squeeze within the airshaft. Anyone with even the mildest form of claustrophobia would have found the snug space utterly unbearable. But Toshiko took her confinement in stride. As a highly trained kunoichi under the employ of drug czar Filipe Esteban, she was more than willing to make such sacrifices.

Of course money had a lot to do with this. Esteban was

always looking to party. I've got some choice toot that'll blow her mind." Cirillo stretched out on the bed with a pillow propped behind his head. He reached for a glass of amber liquid on the nightstand and took a hefty slug. "You're the best, Manny. I owe you one, my friend." He relayed his suite number, then hung up with a contented smile.

His call had sparked a change of plans.

Toshiko wasn't frazzled in the least; her work required an ability and willingness to bend according to the situation at hand. Improvisation was one of her most vital skills. Her original stratagem had been to wait for Cirillo to fall asleep, climb through the vent, then lower herself into the darkened suite and take his life with deadly silence.

Her new approach would work just as well.

And certainly be more fun. The "hot Asian chick" Cirillo had requested was conspicuous as she entered the hotel lobby and headed straight for the elevator.

Toshiko tossed aside the magazine she had been pre-

paying a hefty sum for her services. Still, Toshiko's motivation went far beyond the merely monetary. She took great pride in her work, executing each and every mission with the utmost precision.

Tonight's task would be no different. Spiro Cirillo, Esteban's chief business rival, had been targeted for death. Toshiko would make it happen. It was as simple as that. She had a job to do. No ifs, ands, or buts about the matter . . .

Now, peering through the hotel suite's ceiling-mounted air conditioning vent, the stealthy assassin observed her quarry. Having just taken a shower, Cirillo, wrapped in a white robe, sat on the edge of a queen sized bed talking on the phone . . .

"This is my last night in town," he said into the mouthpiece, "so how about that hot Asian chick you're always talking about? Yeah, that's the one, the good timer who's

tending to read, got out of the plush lobby chair, and followed the woman. They entered the empty car together. When the car reached Cirillo's floor, Toshiko was the only one who disembarked.

The other woman lay unconscious on the elevator floor.

Having opened the door, Cirillo liked what he saw. He had always had a thing for Asian women. This one was everything a man could want—petite, flawless porcelain skin, exotic almond-shaped eyes, lustrous black hair.

"Wow." He ushered her inside. "Manny was right. You're something else."

"Pleased to meet you, Mr. Cirillo."

"Call me Spiro, please."

They dispensed with the preliminaries soon enough. Toshiko declined her host's offer of a drink. And when he brought out the cocaine—well, she was able to divert his

attention elsewhere. Dropping to her knees, she rubbed his erection through the soft material of his robe, marveling at his rigid length and girth . . .

The life of a kunoichi was exciting and fulfilling. It was also rife with deception, especially when it came to sex. More often than not, the sex act was merely a means to gather intelligence from unsuspecting adversaries. Still, she had learned to get off even during these fraudulent encounters; taking it, more or less, any way she could get it, sating her basest carnal desires while also completing her assignments.

Cirillo opened his robe, exposing his turgid manhood. Toshiko wasted little time. Holding the thick base of his

stealthy, sinuous movements she employed while working in the field as a ninja.

Toshiko opened herself with her fingers, stretching her pussy lips and begging him to fuck her. Cirillo mounted her with much haste, sliding inside her inch by delicious inch. Her cunt was tight, easily the tightest he had ever had the pleasure to plunder. He started with slow thrusts, savoring the snugness of her snatch; but it wasn't long before his excitement kicked in, spurring him to fuck her harder and faster. Toshiko grabbed her ankles and pulled her legs back, splaying herself for a good and proper pussy pounding.

Cirillo's big dick and frenetic jabs did the trick. Toshiko

cock, she licked her target's shaft, gliding her tongue up and down its length. Having thoroughly shellacked his rod, she devoured it in earnest, gobbling his cock with slutty abandon.

The drug czar moaned as she pumped her head to and fro, treating him to a spirited and sloppy blowjob. He ran his fingers through her raven hair. Cirillo preferred to have sex while high on blow, but she—despite Manny's claim that the chick was a real cokehead—had seemed disinterested. Oh well, he thought, there would be plenty of time for party favors later, after they fucked each other silly.

Having primed him with her expert oral skills, Toshiko found herself extremely wet. Polishing a rock hard knob always affected her in this manner. She stood and turned around, telling Cirillo to unzip her dress. After exiting the airshaft, she had changed clothes on the hotel roof, trading her black ninja garb for street clothes she had stashed with other essential equipment earlier in the evening.

"Nice," Cirillo remarked as she shimmied out of the dress. Matching black lace lingerie accentuated her white skin. It wasn't long before her bra and panties joined her dress on the floor. She moved to the bed with the same

came with a searing rush, her system flooded with pleasure as the drug czar humped and hammered his way to an orgasm of his own. It didn't take him long.

"OH, SHIT!" he bellowed, pulling out and letting it fly. His dick erupted like a stick of dynamite. When it was all said and done Toshiko's flat stomach and tiny little tits were coated with cum.

"You must try this," Cirillo exhorted, arranging several lines of his finest product on a small mirror.

"I can't wait." Toshiko rubbed her hands together in anticipation.

Her host proffered a coke straw. The kunoichi declined, opting for the one in her fashionable clutch purse. Cirillo was impressed.

"You come prepared," he remarked.

"Wouldn't leave home without it," she replied.

But she didn't raise the straw to her nose. She raised it to her mouth. The dart pierced Cirillo's throat. He gagged, reaching for his neck with both hands as he toppled to the carpeted floor. The lethal poison didn't take long.

He was dead before Toshiko had gotten dressed and exited the hotel suite.
